

## Writing : Narrating a story

### Formidable creature

In a bright room, I woke up feeling confused. It was like the sun was shining right into my eyes, and I knew I must be in a hospital. I couldn't remember what had happened before. All I knew was that I had been lost in a big forest, and something scary had happened there.

It was a time when I was with my family on a trip. We saw a big bear, and it was really scary. the bear ran to me. I'm so scare and ran to the forest away from the bear. And I got separated from my family, and I was all alone facing the bear. I felt really scared and didn't know what to do.

It's like my memories are mixed up, and I'm trying to figure out how I ended up in the hospital after being lost in the forest and facing a bear. Everything feels confusing, and I'm just trying to make sense of it all.
